

Pratt Floor Signs

Signs are made of high quality floor grade self adhesive vinyl laminated with a tough textured protective vinyl cover. Ensure floors are a smooth surface and cleaned of dirt or grease before applying. Concrete floors should be sealed before applying signs. Avoid areas of heavy forklift traffic or turning on signs.

Size	400 x 400
Description	
20. Blind Intersection Proceed with Caution	PFS1
21. Forklift Lane No Pedestrians	PFS2
